**THE STATE OF MISSISSIPPI'S UNOPPOSED EMERGENCY MOTION FOR
EXTENSION OF TIME TO CONSUMMATE SETTLEMENTS**

On October 14, 2011, this Court entered a Settlement Order of Dismissal in these nine actions, giving any party the right, upon a showing of good cause, to reopen the action within ninety (90) days if the settlements were not consummated. (Docket No. 36). That ninety-day deadline is today. The parties encountered an unexpected impediment to finalizing the settlement agreements but, with the assistance of Professor Green, were able to reach an agreement on this final issue. However, given the number of defendants and the efforts required to obtain signatures for each defendant the parties will not be able to have all agreements fully executed by the close of business today. Accordingly, the State respectfully requests an additional ten (10) days in which to be able to reinstate the above-captioned action if the settlements are not consummated.

Dated: January 12, 2011.

Respectfully submitted,

THE STATE OF MISSISSIPPI
